

## Idaho GOP 2024 Platform

“We believe Idahoans value and should preserve our national strength and pride while working to promote peace, freedom and human rights throughout the world.”

**Change : ~~“We believe Idahoans value and should preserve our national strength and pride while working to promote peace, freedom and human rights throughout the world.”~~**

While the closing affirmation can be seen as a light in a never ending tunnel of darkness and corruption throughout the world, we as Idahoans must realize that our own military personnel should not be used to police the world (Idaho Republican Party Platform, Art. XVII, s 7) in ways that could lead to further conflict such as the US military forces expanding via NATO farther and farther east causing Russia to invade the Donetsk region of Ukraine, where we are now spending billions of dollars in foreign aid for an overreach of “...peace, freedom and human rights throughout the world.” The original and only winning campaign of Donald Trump in 2016 focused on an end to the forever wars occurring primarily in the Middle East which have only created destabilization, death, and destruction with no tangible goals to allow for withdrawal.

Art II, s 5 “The 19th Amendment of the United States Constitution states that the right of the citizens to vote shall not be denied.”

**Change : “The 15th and 19th Amendments of the United States Constitution state the right of the citizens to votes shall not be denied or abridged.”**

Art III, s 1(A) “The United States of America was founded on legal, political and economic systems based on Judeo-Christian principles.”

**Change: “The United States of America was founded on legal, political and economic systems based on Christian principles.”**

Prior to even the creation of the United States of America, the colonies spoke of Jesus Christ socially and more importantly LEGISLATIVELY.

Articles, Laws, and Orders, Divine, Politic, and Martial for the Colony in Virginia (c. 1610)

Maryland Toleration Act (September 21, 1649)

Preface to the Lawes and Liberties Concerning the Inhabitants of the Massachusetts (1648)

These three documents prove that through the invocation of our Lord Jesus Christ's name, that the founding fathers' primary source for law and order came from the word of God with an explicit use of the New Testament. Unfortunately, the term "Judeo-Christian" is an oxymoron since the religion of the Jewish people does not recognize the divinity of Jesus. Since the Jewish religion does not accept the Trinity that the blasphemy laws of the colonies legislated against, they would have been punished severely by the founding stock of America. This all to say that to lump the "Judeo" with the "Christian" is an affront to the will of the people that founded this great nation, and these contradictions that are only seen through the 20th and 21st centuries would hold grave reprisal in the time of our forefathers.

Art III, s 8 "...social justice indoctrination theories (i.e. critical race theory, transformative social emotional learning, diversity, equity and inclusion, replacement theory, queer theory, etc.) into their policies, curriculum and/or course materials."
