

My public reply to the question is:

“ I agree with the vast majority of the IDGOP Platform. I would suggest updates to reconcile a statement in the preamble and a statement in Article XVII and I’d like to see stronger language with regards to reducing, controlling and eliminating property taxes. I’d also like to discuss further the plank regarding grizzlies and wolves.

If you would like to discuss further, please let me know.”

Sincerely,  
Roger Rudd
